Terminate Excess Shedding in Two Weeks, Guaranteed!

Shed-X Dermaplex for Dogs

It couldn't be easier. Just add this tasty supplement to your dog's food daily. This proven blend of natural vitamins and essential fatty acids works with your dog's body chemistry to reduce shedding. Added benefit: a lustrous, sweet smelling coat.

"I wasn't sure that this product would work or not. So, I tried it and found out that both my beagles LOVE the addition to their morning meal. Before I would vacuum/dust once a week and now (sometimes) I can get away without vacuuming/dusting every two and a half weeks!" Jennifer K. Olympia, WA
